

Welcome to the 2024 Twilight Hackers Golf League Outing! Here are the rules:

- **Tee Sheets**: The accompanying tee sheet shows team handicap and tee times.
- **Format**: This is a Scramble... Each player hits from the preferred selected shot. The fourth shot on a 3-Man team is rotated around the group. This "ghost" player is noted on the tee sheet with a handicap averaged from the other three players.
- **Tee Boxes**: Choose a tee and write the color tee each player used on the scorecard. This is required for handicapping your round. If you played in the outing last year, the tee you used is noted on this year's tee sheet. Play what you feel is comfortable for you but understand that moving to a shorter tee than what's shown on the tee sheet will reduce your team handicap.
- **Tee Shots**:
4-Man Teams: Each player must use THREE tee shots
3-Man Teams: Each player must use FOUR tee shots
- **Lift, Clean & Place**: With no improvement of surface (Fairways, Rough, Sand, Fringe, Putting Green, etc.)
- **Lie**: When moving golf balls to a selected shot that is off the green, players are allowed one club length of the original spot. That club length cannot be closer to the hole, and it can't improve the surface of the lie of the original ball.
- **Tiebreaker**: COUNT EVERY PUTT YOU AND YOUR TEAMMATES TAKE ON THE GREEN. If four of you miss your first putt and then put it in the hole on your next try, that goes on the card as FIVE putts.
