

2026 Twilight Hackers End-of-Year Scramble

Final Rules & Format

To wrap up another season of Twilight Hackers golf, we will finish with our traditional **end-of-the-year team scramble**.

We have **11 foursomes and 2 threesomes**, with all teams competing for the overall **Twilight Hackers Scramble Championship**.

Top 5 teams are awarded.

Scramble Format

- All players tee off on each hole.
- The team selects the best shot.
- All players then play their next shot from that location.
- Continue in this manner until the ball is holed.
- **All putts must be holed. No gimmies.**
- **Count consecutive putts (5 attempts =5 putts - Needed for Tiebreakers)**

Drive Requirements

Foursomes

Each player must have a minimum of **3 drives used** during the round.

This ensures that everyone contributes while still allowing the team some flexibility on the remaining holes.

Threesomes

Each player must have a minimum of **4 drives used** during the round.

To compensate for playing with only three players, each threesome will also receive **one additional tee shot on every hole**.

The extra tee shot will rotate among the three players so that each player receives **6 extra tee shots during the round**.

Once the best drive is selected, the threesome continues the remainder of the hole with its three players only.

Important: If a player's extra tee shot is selected, it may be used for the team, but it **will not count toward that player's required four drives**. Only a player's original tee shot can count toward their drive requirement.

Playing the Selected Shot

Players may place their ball within **one club length** of the selected ball, but no closer to the hole.

The ball MUST remain in the same general condition:

- A ball in the fairway must remain in the fairway.
- A ball in the rough must remain in the rough.
- A ball on the fringe must remain on the fringe.
- A ball in a bunker must remain in the bunker.

The lie may be improved, but a player may not move the ball from one type of condition to another or gain an advantage by moving closer to the hole.

Side Contests

Closest to the Pin

Closest-to-the-pin contests will be held on the designated par-3 holes.

Blind Bogey

Foursome Blind Bogey contest will consist of numbers between 65-85. Please have your chosen number ready to submit.

Most Important Rule

This is the **final event of the season and a chance for everyone to have some fun**. Play competitively, enjoy the day, and remember that the league has been going strong since ~~1988~~ the **1970s***! - because of the friendships and good times that come along with it.

**(I dunno where the 1988 year came from, but that's fake news... jimmyd)*

Good luck to everyone and may the best scramble team win!
